War Horn Captures Feature Event, Romping Home with a Garrison Finish.

Special to The Washington Herald.

Laurel, Md., Oct. 35.—Favorites again had a bad inning to-day, and one out of six got home first, this individual being War Horn. the purse in nearly every event, the favorites being nowhers. This was an exception in the last race, when Hilarious, Mulholland, and The Busybody finished so close that it was difficult to tell who won. However, the winner turned up in Fred Mulholland. Hilarious did not suik as usual, and ran a good race, although le was inclined to run out at the head of the stretch.

The best "good thing" of the day went over in the third race, when Garth, an noutsider, just romped home an easy winner. He was well supported by the "insiders," and at no stage of the race, was there a doubt as to who would win. Mindinette was a second and Toniats tird. The favorite, Union Jack, was gover a contender, and finished among the also rans.

The most impressive race of the afternoon was the fourth on the card, which sent six horses to the wire. Aplaster was played for a "good thing," but he could never keep up, and finished in the ruck. Col. Cook led all the way until within 100 yards of the wire, when War Horn shot out of the builtch and came home a winner by two lengths. His race, but the winner, Ochre Court, led from the drop of the flag to the fifth race, but the winner, Ochre Court, led from the drop of the flag to the fifth race, but the winner, Ochre Court, led from the drop of the flag to the fifth race, but the winner, Ochre Court, led from the drop of the flag to the fifth race, but the winner, Ochre Court, led from the drop of the flag to the fifth race, but the winner, Ochre Court, led from the drop of the flag to the fifth race, but the winner, Ochre Court, led from the drop of the flag to the fifth race, but the winner, Ochre Court, led from the brose finishing noses apart. The track was in much better condition than yesterday, and if the wind blows a little to-night the course should be in good shape for to-morrow.

including the Annapolis Juvenile Stakes.

Announcement was made to-day that the Mariboro track will run for ten days following Pimileo. Many horsemen have aiready engaged stall rooms for this meeting, which promises to be one of the best so far held at this track. New stalls are being built, and the track is now being rounded into good condition.

The running of the Annapolis Juvenile Stakes to-morrow brings to the post the best two-year-olds in this country, including Yankee Notions, Leochares, Frederick L. Rockview and several others, Each one of these horses have brackets to their credit at Laurel Park, and it looks as though it will be a race that will be worth miles going to see.
